

1. PRESENTATION

With the **INSIDE** app you can communicate via Bluetooth or Wi-Fi with an ALMA calculator **FLEXICOMPT AUTONOME+** or **MICROCOMPT+**

INSIDE allows for example the parameters and measurement results stored by the calculator to be downloaded to a tablet and a summary of the delivery data to be saved as a pdf file...

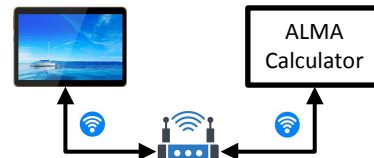

The **INSIDE** app is available on the Google Play Store and runs on an Android device from version 6. This device is a tablet or a smartphone. Tablet is used below.

Bluetooth

Wi-Fi

The tablet and the calculator must be connected to the same access point

2. DOWNLOAD INSIDE ON THE TABLET

- 👉 Download the app on the Google Play Store using keywords **ALMA INSIDE**.
- 👉 Choose the logo **INSIDE** as shown, then click Install or Get.

3. PREPARE THE TABLET

- 👉 Activate Bluetooth and Wi-Fi on the tablet. Some models require the activation of location.
- 👉 Launch **INSIDE** on the tablet.

4. PREPARE THE CALCULATOR

Depending on the calculator or according to your choice, you can connect the calculator to the tablet using Bluetooth or Wi-Fi.

FLEXICOMPT AUTONOME+ : Check the configuration of the connection

- Check the Bluetooth device name of the Flexicompt autonome+ or check/enter and write down the characteristics of the Wi-Fi access point - Menu Interfaces
- 👉 Activate Bluetooth or Wi-Fi - Menu Connect
- Note: Automatic shutoff function of the Wi-Fi after 2 minutes

MICROCOMPT+ : Check the calculator model (Bluetooth or Wi-Fi)

- Check the Bluetooth device name of the MICROCOMPT+ or check/enter and write down the characteristics of the Wi-Fi access point - Menu ICOM
- Whatever the model, Bluetooth or Wi-Fi remains active

5. CONNECT THE TABLET TO THE CALCULATOR

👉 Choose the connection:

- **Bluetooth:** Click Bluetooth devices. Available Bluetooth devices are displayed. Choose the name of the ALMA calculator to pair it with the tablet.
- **Wi-Fi:** Click Wi-Fi to connect the tablet to the same access point as the calculator. Enter the IP address and the port number. These data are available on the ALMA calculator:
 - **FLEXICOMPT AUTONOME+** : Menu Interfaces>Wi-Fi
 - **MICROCOMPT+** : Menu ICOM>WI-FI
